Professor Steven D. Billings, MD, is a Co-section Head of the Dermatopathology in the Department of Anatomic Pathology at the Cleveland Clinic. Prof. Billings is board-certified in anatomic and clinical pathology and dermatopathology and has additional fellowship training in soft tissue pathology. He received his medical degree from Indiana University School of Medicine and has been in practice for more than 20 years. Steven D. Billings is currently a Professor at the Cleveland Clinic Lerner College of Medicine. His research interests include dermatopathology and soft tissue pathology with a special emphasis on cutaneous soft tissue tumors. Professor Billings is the author of numerous articles, invited reviews and book chapters, as well as a book on inflammatory diseases of the skin. He has a strong interest in education and gives numerous lectures and continuing medical education courses.

AAF/OMI VISITING PROFESSORSHIP IN PATHOLOGY is held under the auspices of THE AMERICAN AUSTRIAN FOUNDATION which seeks to bridge the knowledge gap by providing qualified individuals with fellowships to pursue postgraduate education, i. a., by the SALZBURG MEDICAL SEMINARS. Participation of the fellows from the Czech Republic is coordinated by THE COMMITTEE OF GOOD WILL – OLGA HAVEL FOUNDATION.
